#### GENERAL INFORMATION

##### Reversionary Rate

This rate will be at a given rate above Barclays Bank Base Rate. The Rate changes automatically on Pre-offer cases as the Barclays Bank Base Rate falls or rises. Subject to amendment under mortgage conditions, the margin above the Base Rate will remain in place for the lifetime of the mortgage.

##### Fixed Rate Products

We can offer your customer a fixed rate over 2 or 3 years, with the promise that this will last for the full period from when they complete their mortgage. At the end of the fixed rate period the customer rate will revert to the applicable Reversionary Rate.

##### Discount Products

Our discount products offer a discount from the applicable variable reversionary rate for the period of the product chosen. At the end of the discount period, the customer's rate will revert to the variable reversionary rate that is applicable at that time.

##### Early Repayment Charge

One month's notice or one month's interest will be payable on all our products.

EARLY REPAYMENT CHARGES	Year 1	Year 2	Year 3
1 Year Discount	5%	-	-
